To Whom It May Concern,

RE: RENTAL APPRAISAL LETTER
PROPERTY: 35 GRETA STREET, TELARAH NSW 2320

Property management is a specialised and highly skilled area of real estate that demands attention to detail, well qualified and experienced personnel, regular communication and an effective and systemised approach to asset management.

Our property management division has developed 'cutting edge' property management systems and procedures that ensure effective letting and management to maximise our client's investment returns.

And that's what it is all about – maximising investment opportunities!

It is our opinion that the above- mentioned property would have an estimated rental return of approximately \$520- \$530 per week in today's market conditions as is, however minimal cosmetic works may push the estimation bracket into the mid- \$550 range per week pending works completed.

This is based on current market conditions and should be seen as a guide only.

If you have any questions regarding this matter, please do not hesitate to contact me.

Regards,
